Subject: Permit Area Reduced - Lease Relinquishment of Federal Lease UTU-76195, Canyon Fuel Company, LLC, SUFCO Mine, C/041/0002, Task ID #2805, Outgoing File

Dear Mr. May:

Enclosed are two original SUFCO Mine permits that have been modified to reflect the change in the legal description of the permit area because of the lease relinquishment of Federal Coal lease UTU-76195 (which was modified by the Bureau of Land Management in December 2006). The change reduced the permit area by 1477 acres; the current permit acreage is 25,290.14 acres.

Please read the permit to be sure you understand the requirements of the permit and condition, have both copies signed by the company official with signatory authority and return one to the Division.

If you have any questions, please call Pamela Grubaugh-Littig at (801) 538-5268 or me.

Sincerely,

John R. Baza
Director
